# 6th World Deaf Swimming Championship Buenos Aires 2023

## MESSAGE FROM THE LOC PRESIDENT

Dear Friends,

On behalf of our Organising Committee for the 2023 World Deaf Swimming Championship, to be held in Argentina, I would like to say WELCOME.

Two years ago, we presented the bid to host the World Deaf Swimming Championship in a really different world, the COVID 19 pandemic was in the worst moment, but we started dreaming on the day after the pandemic and those dreams were made true.

This World Championship will be an exceptional opportunity for the world's best deaf swimmers to show themselves in the same pool that the young stars shone during the 2018 Youth Olympic Games in Buenos Aires.

We set the bar really high, we want a World Class championship, not only for the swimmers but also for the coaches, officials, the public and all the world.

I am sure Buenos Aires 2023 will represent a milestone in the history of the World Deaf Swimming Championship. We will live seven days full of swims to show the entire world the passion and category of the Deaf Swimmers.

**See you in Buenos Aires 2023!**

**Horacio Aleva**  
President of the LOC
